

COMET™

LOOPED-END WET MOP

Tough Performance for Everyday Use

The Comet™ blend wet mop is made with a 4-ply blend of cotton, rayon and polyester, giving this mop great absorbency and durability for tough industrial use. Available in four colors: blue, green, orange and white; ideal for color coding various areas. Made with recycled material, the Comet is also the environmental friendly choice. Comet is the perfect choice for a cost effective mop that will withstand the rigors of professional laundering and daily use.

Features and Benefits

- Looped-ends resist tangling
- Tailband provides wide surface span and even coverage
- Headband and single tailband are color coded for at-a-glance identification
